THE CL RANGE

The CL Range of interface terminals offers you access to the power of EDICT-97 at any entry level price. The backlit LCD displays are readable in all conditions, and the range includes models with a variety of keyboard configurations. Even models without numeric keypads support data entry, by means of dedicated Raise and Lower keys. The lowest cost devices are ideal for use with micro PLCs letting you design powerful systems at the prices your customers demand.

<i>Specification;</i>	<i>CL05</i>	<i>CL10</i>	<i>CL15</i>	<i>CL20</i>
