

## UU642

Preliminary

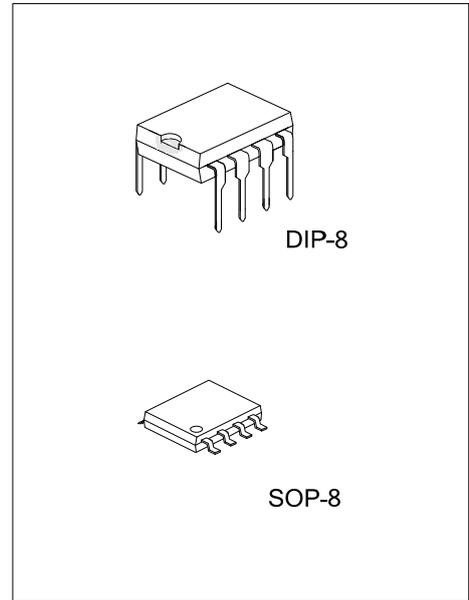

LINEAR INTEGRATED CIRCUIT

### INTERVAL AND WIPE/WASH WIPER CONTROL IC

#### DESCRIPTION

The bipolar integrated circuit UTC **UU642** is designed as a wiper for automotive application. It includes wipe, wash and interval mode.

The UTC **UU642** is a cost-effective solution for an accurate timing function control. Wipe/wash mode has priority over interval mode. Interval pause and after-wiping time can be set to fixed values by using resistors in a broad time range. Added value can be provided with an individual, continuous adjustment of the interval pause by a potentiometer which may be built into the stalk. For proper operation, it is mandatory to feed the signal of the wiper motor's park switch into UTC **UU642**.

#### FEATURES

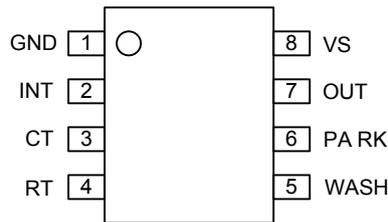

- \* After-wiping time: 2s~20s
- \* Interval pause: 4s~20s
- \* Wipe/wash mode priority
- \* Wiper motor's park switch
- \* Relay driver with Z-diode
- \* One external capacitor determines all time sequences
- \* Interference protection according to VDE 0839 or ISO/TR 637/1
- \* Load-dump protected

#### ORDERING INFORMATION

| Ordering Number   |              | Package Packing |           |
|-------------------|--------------|-----------------|-----------|
| Lead Free         | Halogen Free |                 |           |
| UU642L-D08-T UU64 | 2G-D08-T     | DIP-8           | Tube      |
| UU642L-S08-T UU64 | 2G-S08-T     | SOP-8           | Tube      |
| UU642L-S08-R UU64 | 2G-S08-R     | SOP-8           | Tape Reel |

■ PIN CONFIGURATION

■ PIN DESCRIPTION

| PIN NO. | PIN NAME | DESCRIPTION                  |
|---------|----------|------------------------------|
| 1       | GND      | Ground                       |
| 2       | INT      | Interval switch              |
| 3       | CT       | Timing capacitor $C_2$       |
| 4       | RT       | After-wiping time resistance |
| 5       | W        | Wipe/wash switch             |
| 6       | PARK     | Park switch for wiper motor  |
| 7       | OUT      | Relay control output         |
| 8       | VS       | Supply voltage terminal 15   |
